Subject Re: Working Group-Perez 

As you may recall, the Commissioners directed me to find a nonpartisan local election official to serve on the Working Group. The three of us discussed the desirability of having a Hispanic. I proposed that I find someone from Texas because of that State's colorful history of voting fraud and their innovative approaches to combat it. In those Texas counties that hire Election Administrators to run elections, rather than having elected officials do so (Tax Assessor for voter registration; County Clerk for balloting), the Election Administrator is hired by the County Election Commission and is supposed to perform his or her duties in a nonpartisan manner. (See attached excerpts from Texas Election Code regarding election administrator hiring and restrictions on partisan activity.)

Any experienced Texas election official will be familiar with voting fraud and voter intimidation schemes used in that State. Mr. Perez has over 13 years experience as a county Election Administrator in Texas. You won't find many news articles mentioning him because he has kept his nose clean. (The Texas press, as in many other parts of the country, prefers to report bad news.) Mr. Perez is plugged into the association of Texas election officials and the two largest organizations of election officials in this country: the International Association of Clerks, Recorders, Election Officials and Treasurers (IACREOT); and The Election Center. He is a past President and past Chairman of the Legislative Committee for the Texas Association of Election Administrators. He currently serves on IACREOT's Election Officials Committee, which plans the educational sessions for election officials that are conducted at that organization's conferences. His peers in IACREOT and The Election Center have selected his submissions on web presentations (IACREOT) and his professional practices papers (Election Center) for awards. Mr. Perez also has access to information from other States through his membership in IACREOT and The Election Center. He also has a sense of humor, which you will note if you access the staff web page on the Guadalupe County Elections web site and hear the Mission Impossible theme .. something that might be useful in the upcoming meeting.

Guadalupe County is small but growing. In 2004, the county had over 65 thousand registered voters (a number more than doubled the number of registered voters in 1988). A third of the county's population claims Hispanic or Latino origin, according to the U.S. Census Bureau. The county is in south central Texas and is bordered by Comal, Hays, Cladwell, Gonzales, Wilson, and Bexar counties. In the 1980s, the county was predominately a farming community; but in recent years, many people have moved from San Antonio (Bexar County) to Guadalupe County, preferring to live in Guadalupe County and work in Bexar County.

Subject Voting Fraud-Voter Intimidation Working Group

Dear Mr. Ginsberg:

This is to confirm my call to your office this morning inviting you to be a member of and attend the upcoming meeting of the U.S. Election Assistance Commission's (EAC) Working Group on Voting Fraud-Voter Intimidation. The meeting is scheduled to take place from 1:00 PM to 5:30 PM on Thursday, May 18th, 2006 at the offices of the U.S. Election Assistance Commission (EAC), 1225 New York Avenue, NW, 11th Floor, Washington, DC.

Section 241 of the Help America Vote Act of 2002 (HAVA) requires EAC to conduct research on election administration issues. Among the tasks listed in the statute are the development of:

- nationwide statistics and methods of identifying, deterring, and investigating voting fraud in elections for Federal office [section 241(b)(6)]; and
- methods of identifying, deterring, and investigating methods of voter intimidation [section 241(b)(7)].

EAC's Board of Advisors recommended that the agency make research on these matters a high priority. Subsequently, the Commission contracted with two consultants (Job Serebrov and Tova Wang) to:

004547

- develop a comprehensive description of what constitutes voting fraud and voter intimidation in the context of Federal elections;
- perform background research (including Federal and State administrative and case law review), identify current activities of key government agencies, civic and advocacy organizations regarding these topics, and deliver a summary of this research and all source documentation;
- establish a project working group, in consultation with EAC, composed of key individuals and representatives of organizations knowledgeable about the topics of voting fraud and voter intimidation;
- provide the description of what constitutes voting fraud and voter intimidation, and the results of the preliminary research to the working group, and convene the working group to discuss potential avenues for future EAC research on this topic; and
- produce a report to EAC summarizing the findings of the preliminary research effort and working group deliberations that includes recommendations for future research, if any;

We strive to include bipartisan representation on the Working Group associated with this project. You were recommended for this project by our Republican consultant, Job Serebrov. Your ideas for possible EAC activities related to this topic will help the agency as it plans future actions to meet its HAVA responsibilities.

If you can find the time in your busy schedule to participate, I will have an information packet delivered to your office by COB, Monday, May 15. Please let me know if you are available. Thank you.

- Signals are often in and out and the audio bridging equipment cannot compensate fast enough by adjusting the signal. This affects all participants connected. If participants must use a cell phone – they should be stationary in a location where they can pick up the other participants, moving while using a cell phone causes the signal to go in and out and often will pick up extraneous electrical signals that will cause heavy static on the call.
- The cell phone should be well charged and muted, if possible, until the individual is ready to speak.

Ms. Rivers,

My name is Devon Romig and I am writing to you on behalf of the Election Assistance Commission. I believe that you have been contacted previously by our consultant Job Serebrov about the Voting Fraud/Voter Intimidation Project Working Group that we are organizing.

We are in the process of setting a date for this event and we would appreciate any suggestions that you may contribute based upon Mr. Norcross's availability in the month of May. The proposed dates are May 1,2,3,8,9,10,11,12,15,16,17,18,19. The meeting will only last for one day. Please let me know any and all of the listed dates that will work with Mr. Norcross's schedule.

Also, I tried to contact you by phone but I received a disconnected notification. Could you please provide me with your most current contact information?

Feel free to call or email me with any questions.

Thanks!

Peggy,

I spoke to the people who usually handle the EAC court reporting. They charge \$9.00 per page with an average of 40 pages per hour. This service would cost about \$1800.00.

The turn around time for the transcript is 10 to 15 days. The transcripts comes in a bound paper copy and an electronic copy.

I can also check around for different prices.

Subject: Working Group

Hi, Folks:

Teleconference

Are both of you available for a teleconference next Tuesday afternoon at about 4 PM EST? If this does not work for you, please suggest another date and/or time. I would like to discuss our preparations for the Working Group meeting.

Working Group Members

We have a very good person to fill the slot for the nonpartisan local election official: J.R. Perez, Elections Administrator for Guadalupe County, TX. Attached is his bio. Hope you have no objections to him. He is available on May 18. I have place 2 calls to Pat Rogers office, but have not yet received a reply. Job, if you have any pull with him, you may want to contact him, too.

Travel Arrangements

You should make your own travel arrangements, including hotel. Travel time cannot be billed to the contract, except for hours actually worked on the contract (i.e.; reviewing materials in preparation for the meeting, and the like). Current Federal rates follow:

Maximum Lodging = \$180 per day- does not include hotel taxes (if you cannot get this rate, we have covered reasonable rates that are a little higher)

Meals & Incidentals = \$64 per day (except that it is \$48 on the first and last day of travel)

Mileage for Personally Owned Vehicle = \$.445 per mile

Under the new contract, I do not have to fill out a travel authorization for you. I can approve your trip via email. Afterwards, when you turn in your next pay voucher, you can attach the airline receipt (or mileage documentation), hotel receipt(s), and ground transportation receipts and a copy of any printed itineraries. Calculate the total travel expenses due you, including applicable per diem. I do not need meal receipts.

Job, under Federal travel regulations, deviations for personal reasons are not normally accommodated. What you can do, however, is to give me a comparison of the cost of roundtrip mileage, hotel, and per diem of doing it your way against the cost of a roundtrip flight, ground transportation, hotel, and per diem. If your way costs less, it should be no problem to cover the full cost. If your way is more expensive, we may only pay up to the amount of traditional travel. (The same rules apply to me when I travel.) If you can tell me where, other than DC, you will spend the night, I can check on applicable per diem rates.

Craig:

This meeting is being held to obtain input from our eight-member Working Group for the project. The group is composed of election lawyers, election officials, and a representative of an advocacy group, all of whom have an interest and some expertise in the identification and/or prosecution of voting fraud and voter intimidation. The group was chosen so that we would have an equal number of folks on each side of the political spectrum, plus some nonpartisan members.

After our consultants review the results of their preliminary research (interviews, literature review, case law), we will ask the Working Group to brainstorm possible next steps for EAC. Our consultants will write a report summarizing the proposals that come out of this meeting. The report will go to the Commissioners, who will decide what they want to do, funds available, and what priority to assigned to the effort(s).

My problem is that agency staff is booked most of the week of 5/21. Monday through Wednesday are taken up with meetings of the Standards Board Executive Committee, the full Standards Board, and the Board of Advisors. Thursday, we have EAC's public meeting. Also, I will lose one of my two consultants in June, so I'm trying to wrap up this project (and get the final report from the consultants) by the end of May.

Say "Hi" to Cameron for me.

Hi Peg. I am sitting here with Cameron Quinn putting together this year's ballot conference for AUSAs. She send her best!

I am available on 5/18. But I am also going to the Board of Advisors Meeting the following week. I would rather do this then.

On another note entirely, since traffic will be bad going to Roanoke, do you want to have a dinner meeting with Tova and me after the group meeting to discuss the final report? As long as we are out by 7 or so I am ok with it. Also, my wife would have to be there as she will be meeting me after the WG.

Dinner sounds like a great idea. Do either of you have any dietary restrictions of preferences? (I seem to recall that Tova would prefer a place that has vegetarian options). I'll try to locate a nearby place that won't bust the budget. --- Peggy

4:00 eastern on Tuesday is fine however, given the financial restrictions that you indicated would be in place for use of my car (I would actually loose money coming to DC) and given the cost of hotels at this time (I can't afford to front these costs and wait for months to be repaid), etc, it would take a miracle for this working group meeting to take place in person. It is looking like the only way it will get done is by teleconference. I also share Tova's concern about the unknown nature of Mr. Perez.

This meeting is being held to obtain input from our eight-member Working Group for the project. The group is composed of election lawyers, election officials, and a representative of an advocacy group, all of whom have an interest and some expertise in the identification and/or prosecution of voting fraud and voter intimidation. The group was chosen so that we would have an equal number of folks on each side of the political spectrum, plus some nonpartisan members.

004583

After our consultants review the results of their preliminary research (interviews, literature review, case law), we will ask the Working Group to brainstorm possible next steps for EAC. Our consultants will write a report summarizing the proposals that come out of this meeting. The report will go to the Commissioners, who will decide what they want to do, funds available, and what priority to assigned to the effort(s).

Your participation in this part of the process is extremely important, so I am very happy that you can find time for us that afternoon. I'll get an agenda and other information to you next week. --- Peggy

Dinner sounds like a great idea. Do either of you have any dietary restrictions or preferences? (I seem to recall that Tova would prefer a place that has vegetarian options). I'll try to locate a nearby place that won't bust the budget. --- Peggy

On another note entirely, since traffic will be bad going to Roanoke, do you want to have a dinner meeting with Tova and me after the group meeting to discuss the final report? As long as we are out by 7or so I am ok with it. Also, my wife would have to be there as she will be meeting me after the WG.

The Election Assistance Commission (EAC) will cover the cost of your flight, the cost of your hotel room and provide you with a daily per diem. The cost of the airfare and the hotel stay will be paid directly by the EAC, as long as you book your travel through Adventure Travel.

To coordinate your flight and hotel stay, please contact Marvin Brokaw of Adventure Travel at (205) 444-4800, ext. 3501. Please note that the eligible dates of the hotel accommodation include the evenings on May 17th and May 18th. Once you have contacted him and you have received the itinerary via e-mail you must forward me a copy immediately so that I can complete a travel authorization form.

I have included two attachments with this email; the first attachment is a letter that contains important information that you will need to know before calling the travel agent and the second attachment provides some general information that should help you get around the city during your trip.

In addition to your travel itinerary, I will also need the following information by the close of business this Friday May 12, 2006 in order to complete your travel authorization:

Subject Re: Working Group

Given the information I have Peggy, that is not going to be financially possible. First, given Tova's info about the hotels, it is too much for me to front. Two to three days in DC would run around \$1000 for the hotel alone. That does not count the two days on the road to get there and two days back. Second, if I can't charge the federal per mile allowance for the entire trip to DC and back and can only get the equivalent of plane fare, I will actually lose money.

I simply do not see how we can do this in person given the financial restrictions.

That was not the only reason -- it was to have someone from the civil rights community. I hardly think you can have a discussion about voter intimidation and suppression without someone with that background at the table. I know you agree with this given what you've said to me in the past.

We don't know about Ginsburg but it was only stated, over my objection, that no current invitee was being disinvited. This does not apply to representatives of those people in my mind, especially when the main specific reason for inviting the person was her race.

I understood Job to say that he could only find a hotel room with the right bed in Roanoke (hours away). He will drive in Thursday morning for the meeting and return to that hotel Thursday night. He won't drive back into DC for a Friday morning meeting.

We don't have to do dinner. I recognize that you have spent a lot of time and energy to make this project work, and I don't want to put you out. (You have done a lot under difficult circumstances.) Though we will be bushed, we may want to have a short meeting right after the Working Group disperses --- or we could do a teleconference the following Monday afternoon (before I head into three more days of meetings). --- Peggy

Teleconference

Are both of you available for a teleconference next Tuesday afternoon at about 4 PM EST? If this does not work for you, please suggest another date and/or time. I would like to discuss our preparations for the Working Group meeting.

Working Group Members

We have a very good person to fill the slot for the nonpartisan local election official: J.R. Perez, Elections Administrator for Guadalupe County, TX. Attached is his bio. Hope you have no objections to him. He is available on May 18. I have place 2 calls to Pat Rogers office, but have not yet received a reply. Job, if you have any pull with him, you may want to contact him, too.

Travel Arrangements

You should make your own travel arrangements, including hotel. Travel time cannot be billed to the contract, except for hours actually worked on the contract (i.e.; reviewing materials in preparation for the meeting, and the like). Current Federal rates follow:

Maximum Lodging = \$180 per day- does not include hotel taxes (if you cannot get this rate, we have covered reasonable rates that are a little higher)

Meals & Incidentals = \$64 per day (except that it is \$48 on the first and last day of travel)

Mileage for Personally Owned Vehicle = \$.445 per mile

Under the new contract, I do not have to fill out a travel authorization for you. I can approve your trip via email. Afterwards, when you turn in your next pay voucher, you can attach the airline receipt (or mileage documentation), hotel receipt(s), and ground transportation receipts and a copy of any printed itineraries. Calculate the total travel expenses due you, including applicable per diem. I do not need meal receipts.

Job, under Federal travel regulations, deviations for personal reasons are not normally accommodated. What you can do, however, is to give me a comparison of the cost of roundtrip mileage, hotel, and per diem of doing it your way against the cost of a roundtrip flight, ground transportation, hotel, and per diem. If your way costs less, it should be no problem to cover the full cost. If your way is more expensive, we may only pay up to the amount of traditional travel. (The same rules apply to me when I travel.) If you can tell me where, other than DC, you will spend the night, I can check on applicable per diem rates.

Would you please take a look at the attached? I combined both of your definitions, reformatted the list, removed a reference to the fraud having to have an actual impact on the election results (because fraud can be prosecuted without proving that it actually changed the results of the election), and taken out a couple of vague examples (e.g.; reference to failing to enforce state laws --- because there may be legitimate reasons for not doing so).

I have made contact with Ben Ginsberg's office and am waiting to hear if he accepts our invitation to join the working group. --- Peggy

Hi Devon:

We have heard from Mark Hearne and Todd Rokita. They are both flying in and out on the 18th and will not need hotel rooms. We're kind of waiting to see if Perez and Rogers need rooms before booking any hotel. As soon as we get approval of Hearne and Rokita air schedules and get them booked, we'll forward their itineraries to you.

Kind Regards,
Marvin

Hello Marvin,

I just wanted to follow up with the voicemail message that I left for you yesterday. We will be holding a meeting at our offices in Washington DC on May 18, 2006. I have informed the out of state attendees to contact you for their travel arrangements.

We have been authorized to pay for the attendees airfare and hotel arrangements. Please note that all of the participants are authorized for a two night hotel room stay, as long as the dates are May 17th and 18th.

I attached the list of the meeting participants that will be contacting you about their travel arrangements for the May 18th meeting in Washington DC.

I have Cynthia Mitchell in here with me now.

She says that the figures you listed in your attachment are your analysis of our product, and that therefore we cannot re-evaluate them.

I do not see anything in these raw numbers that impacts adversely any privacy or privilege issues.

We can update the public list and send that to you, if you'd prefer. That would allow you to represent that the numbers are current up through now. But if you would prefer, you can use what you have as long as it is represented as complete only through January, 2006.
